Dear Sir/Madam,

Re: India calling

This is the time when you may be planning a visit to your country.

Today India's growth story makes us all feel proud of our country.

During your visit to India or even otherwise if you need some help for financial planning in India, we shall be pleased to extend our services without any obligation whatsoever.

To introduce ourselves - LIC is the insurer with the largest number of policies in the world. We are servicing 270 millions policyholders in India and abroad. Our mission is to provide financial security to one and all. We have products to suit every financial requirement of a family be it regular income for your parents and beloved ones in India or provision for your children. Life Insurance Corporation of India stands for Trust. We assure you of right advice and committed services.

In case you have any queries regarding purchase of any product, please feel free to send a mail at [nriadvisor@licindia.com](mailto:nriadvisor@licindia.com). We shall be pleased to be of help.

Regards,

Yours sincerely,

Dep. Secretary (Direct Marketing)
